Ragan, the Environmental Director for the City of Grand Prairie is coming in at 2:00 for a briefing on Delfasco. This is a pre-briefing for a community meeting that is scheduled to occur on Aug 13. The primary focus of today's meeting will be to discuss the results of health department sampling in several of the neighborhoods (including Delfasco); however, I was planning to attend since the settlement will probably come up as well as discussion of whether or not the city will agree to manage the cleanup.

Do you mind if I miss the 2:30 staff meeting so that I can attend the meeting with the City? Sue Westbrook is available and can attend the meeting with you at 2:00, if that is ok.

Melissa
